

Wel come

We are Self –Motivated. We are passionate about our work. We are JKK Group .

Today, JKKGroup has successfully completed 30 years of its prolific and self motivated operation with strong consideration of its 3 verticals viz. Transparency, Ownership and Accountability. The company has established its distinct brand identity in the field of Quick Lime and Crushed Limestone.

With fine knowledge of professional experts and age long experience in Industry, we are proud to be the only organization in India established with a complete integrated setup of limestone mines, Lime kilns which contributes on a large scale to meet the required quantity and quality of the market at cut throat prices.

We at JKK persistently aspire to retain the benchmark of quality, customer centric approach, robust engineering, in-house research, timeless values and transparency in all spheres of business conduct which contribute in making us a pioneer and renowned lime brand in India.

For years we have consolidated our position globally in mission of offering our customer abundant quality service. We intend to purge all distractions that interfere in our business. We concentrate on establishing credibility, building relationships and execute our plans to perfection in our venture to provide outstanding service. Last but not the least, we endeavor to maintain a never- ending relationship with our honored clients.

## What We Promise

### **Quality Products**

At JKK we are passionate about accomplishing the top standard of quality products.

### **Competitive Price**

Along with supreme quality we offer our products at competitive prices.

### **Customer Satisfaction**

When it is about Clients, it's our priority. We are just a call away.

### **On Time and Efficient Delivery**

We strictly adhere to the timelines given by our customers.

## Quick Lime Lumps manufactured from traditional kilns - Calcined Lime / Unslaked Lime/ Burnt Lime

Quick Lime Lumps, also known as ' Burnt Lime' or ' Calcined Lime' are formed by calcining Calcium Carbonate ( Lime Stone). The Products offered at JKK are manufactured from Jukehi & Harriya , Madhya Pradesh limestone ,processed using best quality chemical and are checked on various parameters in order to offer flawless supply at the users end & specially sorted supreme quality limestone of our own mines with Traditional technology.

## Limestone

At JKK we are engaged in offering quality assured assortment of limestones from Bhatara Limestone Mines . The limestone we offer is widely demanded among the industries for its safe use. Limestone provided by us is processed exquisitely under the team of skilled professional.

**Availability of All sizes of Limestone Crushed & Uncrushed.**

Works Units

## Unit 1

No. of Kilns:4  
Village : Harriya  
Tehsil : Vijayraghavgarh  
District : Katni

## Unit 2

Crusher of Limestone (1000 TPD)

No. of Crushers 2

Village : Harriya  
Tehsil : Vijayraghavgarh

District : Katni

## Unit 3

No. of Kilns: 6  
Village : Jhukehi  
Tehsil : Maihar  
District : Satna

## Unit 4

Purplizer of Limestone (200 TPD)  
Village : Chari  
Tehsil : Vijayraghavgarh  
District : Katni

## Mines

Village : Bhatura  
Tehsil : Maihar  
District : Satna (M.P)  
Area : 16.288 Hectares  
Production Capacity :- 4,00,000.00 MTPA
